

MEDIA MARKETING DESIGN INTERNSHIP JANUARY 2018 - MAY 2018

Live Salted is a ministry whose purpose is to encourage and teach college and millennial women how to take ownership of their faith, recognize the reality behind the Gospel, and live fully into the adventurous life to which they have been called. We do this through our blog, online content, Bible studies, in-person events, and an online store. Since launching February 2016, we have put on nine events in four states, interacted physically with over 1,400 women and thousands more online. The Lord has been and will always be the reason behind what we do, and we are excited to see what He has in store for us next. We are growing very quickly, which is why we need you! We are excited you are considering this position, and are looking forward to connecting if you think this could be the right fit! More information on who we are -> livesalted.com.
